#### "GAME ACT"

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that, pursuant to the provisions of the "Game Act," chapter 135, "Revised Statutes of British Columbia, 1948," the Regulations Controlling the Use of Aircraft and Certain Motor-vehicles in Hunting and Fishing, made by Order in Council No. 2632, approved November 21st, 1950, be rescinded, and the following regulations substituted therefor:—

#### REGULATIONS CONTROLLING THE USE OF AIRCRAFT AND CERTAIN MOTOR-VEHICLES IN HUNTING AND FISHING

1. No person shall operate any aircraft for hunting or trapping purposes, or the purpose of angling, without first having obtained a permit therefor from the Game Commission.

2. (a) No person shall carry any firearm, trap, or fishing-tackle in any aircraft without first taking out a licence under the "Game Act" in that behalf; provided that this regulation shall not apply to a firearm being carried in any aircraft for emergency purposes, but such exception shall not apply unless each firearm so carried has been first sealed with a seal, and in a manner approved by and under the supervision of the Game Commission or its authorized agent.

- (b) The provisions of clause (a) of this section shall not apply where firearms, traps, or fishing-tackle are being transported in a regularly operated aircraft belonging to an established commercial air line operating on scheduled flights.

3. The hunting of game from any aircraft or any four-wheel drive motor-vehicle or motor-vehicle equipped with a caterpillar or track tread, whether in motion or otherwise, is prohibited; provided that this prohibition shall in no way limit the use of said motor-vehicle when same is being used for transportation purposes only.

4. No person shall hunt any predatory animal from any aircraft without first having obtained a permit therefor from the Game Commission.

5. No person shall fly or pilot any aircraft, except an aircraft of a commercial air line, on any hunting, trapping, or fishing expedition, unless said person (a) submits a report before any such flight, (b) submits a report upon return from such flight to, and on a form or forms supplied and approved by, and under conditions laid down from time to time by the Game Commission.

6. No person shall use any aircraft in locating, spotting, sighting, or searching for game for the purpose of directing or assisting any other person to destroy or capture the game.

7. No person shall use any aircraft or four-wheel drive motor-vehicle or any motor-vehicle equipped with a caterpillar or track tread for the purpose of distributing bait of any kind for the subsequent capture or destruction of any game.

8. The Game Commission may define any area of land in the Province to be termed "Wild-life Wilderness Area" for the purpose of protecting game and fish therein, and when so defined no person without a permit from the Game Commission shall land any aircraft therein for the purpose of enabling himself or any of the passengers in the aircraft to hunt or fish in the area so defined.

9. Where any person commits an offence against, or violates any provisions of, these regulations while in any aircraft or four-wheel drive motor-

vehicle or any motor-vehicle equipped with a caterpillar or track tread, and the actual offender has not been ascertained and prosecuted therefor, the person in control of the aircraft or motor-vehicle at the time of the offence shall be held responsible for the offence or violation, and may be prosecuted therefor as the offender; but nothing in this regulation shall relieve the actual offender from liability for the offence or violation.

10. Any person who, when requested to do so by any Game Warden or constable, refuses to allow himself or the aircraft under his charge to be searched shall be guilty of an offence against these regulations.
